Our musicians would love to play their favourite melodies. But their instruments are missing some important parts which are absolutely necessary for playing. Help the sad musicians and draw the missing parts yourself.

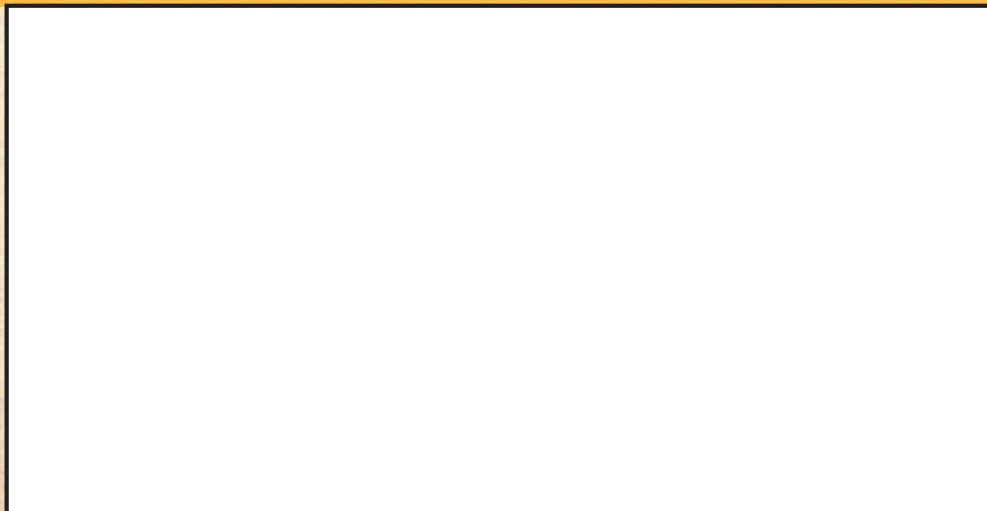

3

Imagine you're a rock guitar player entering the stage with an embellished guitar. What would you use to decorate the guitar? And which other instruments you'd like to have in your rock band?

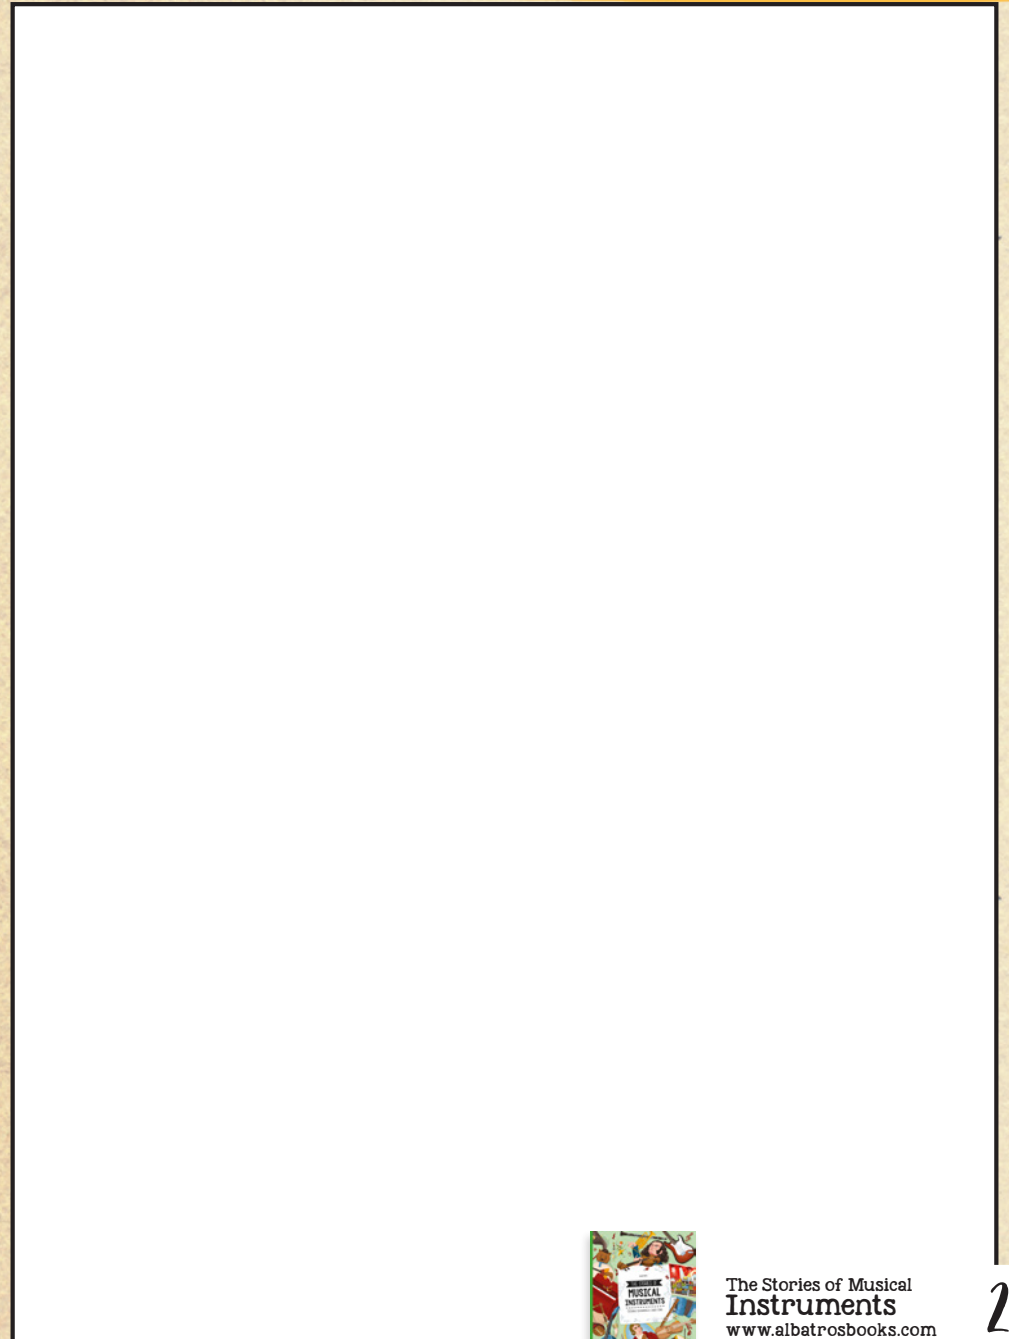

4

My (dream) musical instrument. Draw the instrument you're playing or would like to play.

5

Look around and try making a musical band out of the stuff in your home. What could be used for playing? Draw these things.
