Look Inside Fruit & Vegetables

B4U PUBLISHING

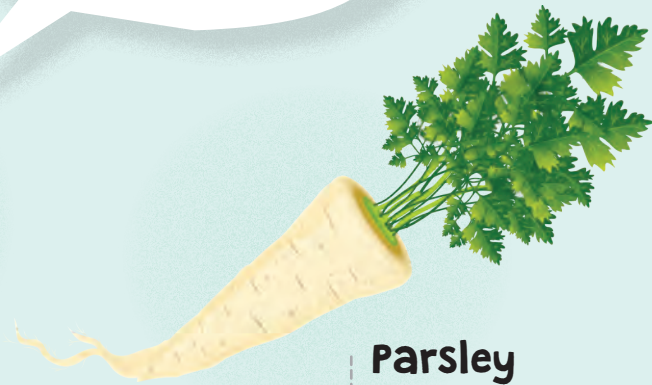

Which of these vegetables goes well in soup? Does cabbage come in different colours? Which ones? Which of these vegetables grows in the ground? Which other vegetable looks like a courgette?

Courgette

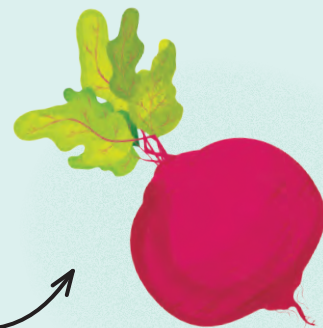

Slim of form, it has a subtle taste.

Veg makes you strong. How could you **go wrong**?

Parsley

Looks like a carrot, but tastes pretty different.

*BETROOT JUICE
COLOURS EVERYTHING
PURPLE.*

Cabbage

Like a ball composed of crisp leaves.

Artichoke

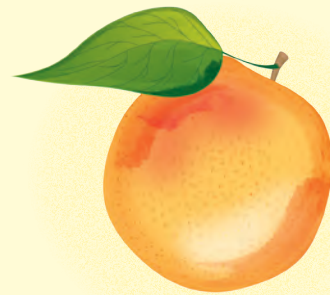

Like a large, unopened bud.

Beetroot

Round, hard and grows in the ground.

Which fruit has the same name as a bird from New Zealand?
What colour is a Kiwi on the inside?
What do we find inside an apple?
Which fruit has seeds on its surface?

*CUT UP A STARFRUIT
TO MAKE LOTS
OF LOVELY STARS.*

Grapefruit

You may be surprised by its pinkish colour and unique taste.

Starfruit

Has a refreshing, sweet-and-sour taste.

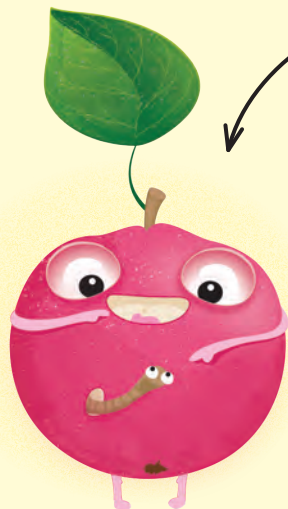

What tastes better than strawberries?
Strawberries **and** cream!

Strawberry

Sweet-smelling summer refreshment for everyone.

*APPLES ARE SO SWEET
THAT MAGGOTS CAN'T
RESIST THEM.*

Apple

Crunchy and juicy, it is an ideal snack.

Kiwi

Hairy on the outside, soft and fragrant on the inside.

Look Inside Fruit & Vegetables

Iveta Pari & Věra Matys

If you read this book with your children, the way you and they cut up fruit and vegetables is bound to change a little. Kids will learn to recognize different fruits and vegetables from inside as well as out. Not only does this book reveal the beauty of fruit and vegetables, it teaches children to use the correct name for each sort. Simply lose yourself in the game and take a look at everything hidden behind the flaps.

This title contains:

- 20 fruits
- 20 vegetables
- 40 windows with flaps
- over 80 illustrations
- lots of fun
