But he's kind, and he helps people!

AT THE POND

Oh no - not the pond! At the bottom there's
an octopus with long tentacles, waiting to pull
us deep underwater. Can't you see it, Dad?
I'm scared!

They're just the stems of water lilies!

NOT AS SCARY AS IT LOOKS

Illustrated by Jakub Cenkľ

Written by Štěpánka Sekaninová

We all get scared sometimes. Some of us often and a lot – at the doctor's, on the river, when there's a storm... With the book Not As Scary As It Looks children can pause and take a good look around for themselves. Is the doctor really a dark magician? Are those things octopuses? By taking a closer look, young readers will see how things really are. Thanks to the beautiful illustrations, interactive slide mechanism and changing pictures, even real scaredy-cats will soon overcome their fear.
