WHICH IS

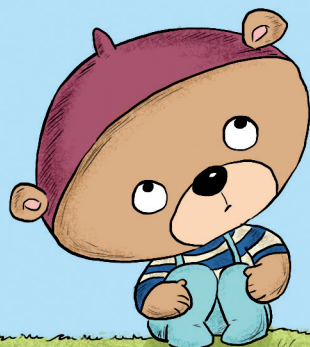

BALL?

ALBATROS

I can't play with this ball at all.

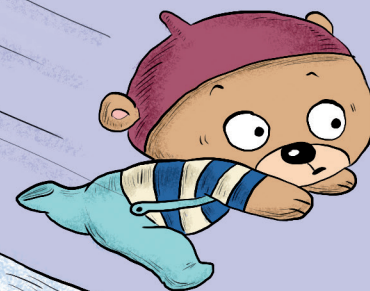

I want a ball I can play with.

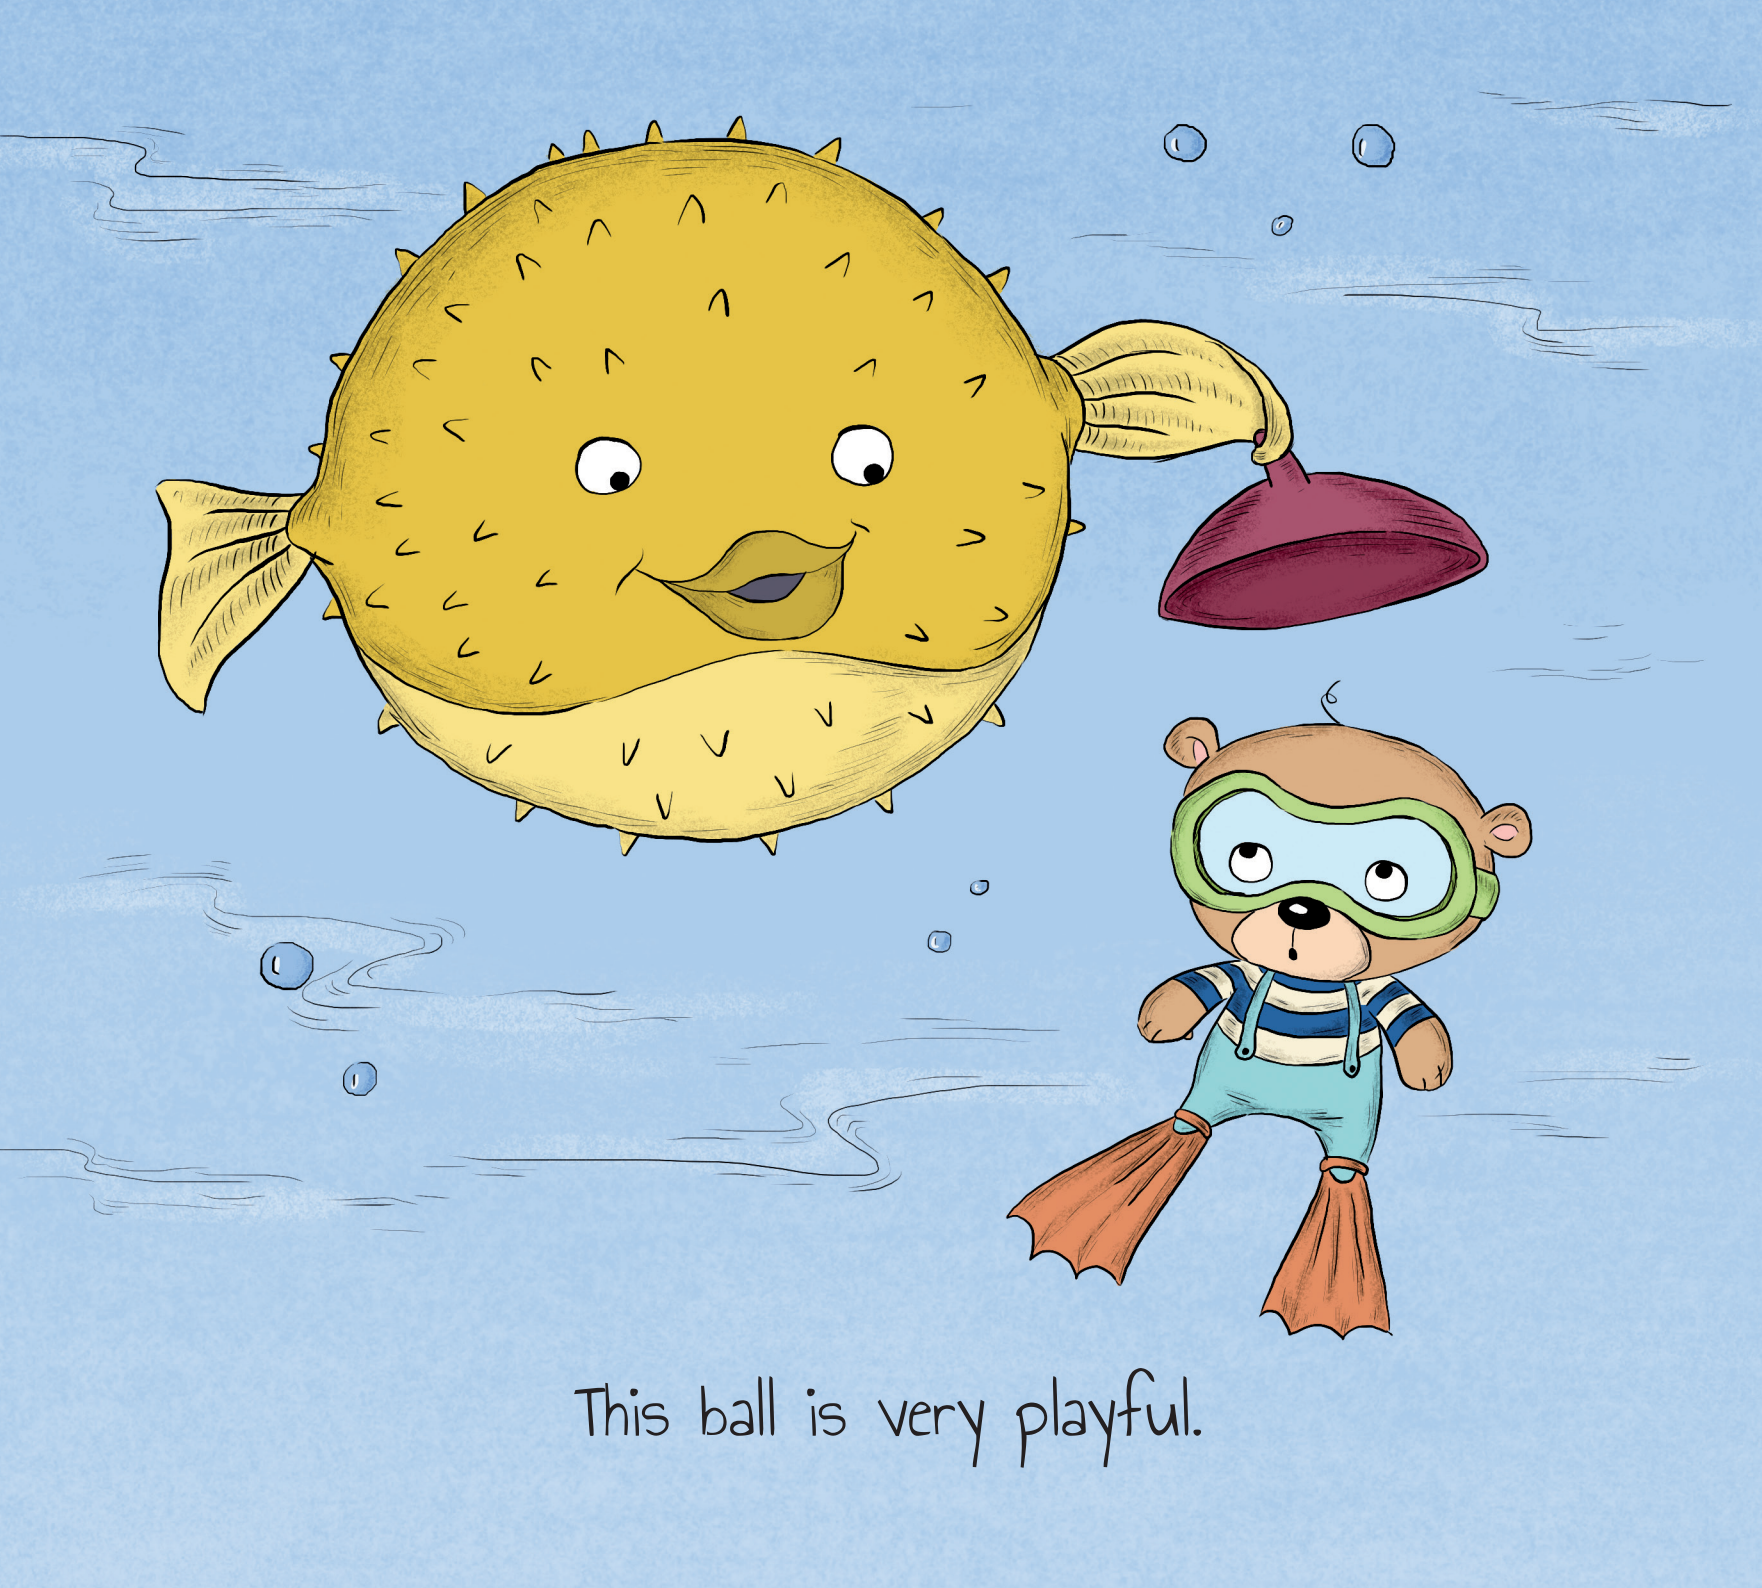

No-o-o!  
I don't want to play with this ball.

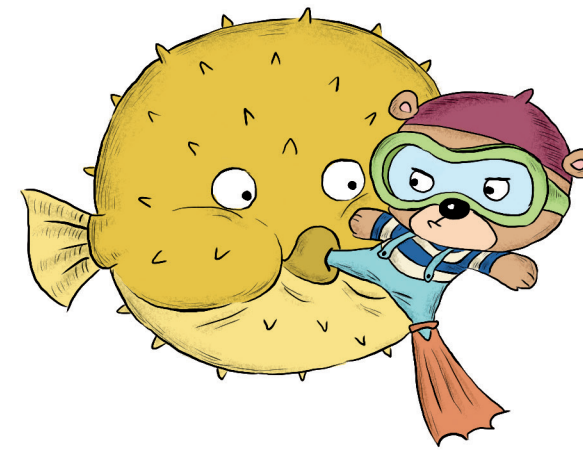

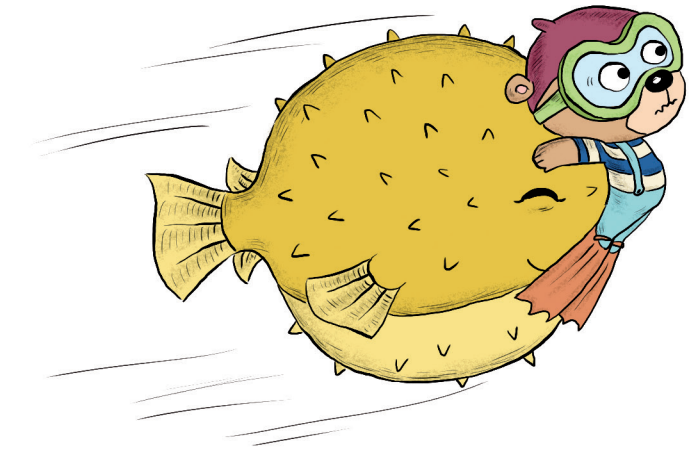

This ball is very playful.

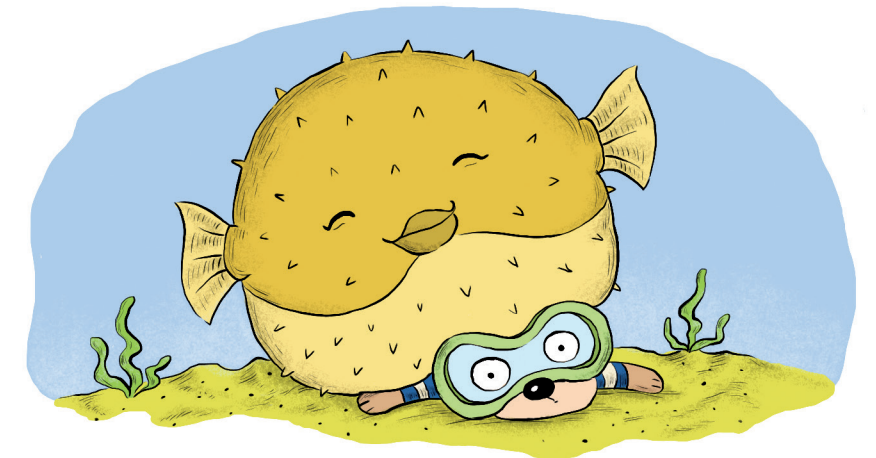

It keeps chasing me.

When I do get free,  
it jumps on me.

And when it catches me,  
it won't let me go.

I want a ball that's less playful than this.

Teddy is looking for the right ball to play with. Which one should he choose? He tries all kinds. The first one is too light, the second too heavy. The third is too small, the fourth too large. The fifth one is hot, and the sixth - ow, it prickles! Why don't you help Teddy find the right ball?
