STREET IS NOT

You need to pay attention, there are many pedestrians, cyclists and even cars in the street!

A PLAYGROUND

We cross a crosswalk when a **red man light** is lit.

Do not play ball games near the road. **Always watch out for cars.**

We run into the street **without looking** to the left and to the right.

Wear reflective clothing that can be easily seen.

When you wear headphones, music does not distract you and you **pay better attention** to everything around you.
