# FRIENDS

Do you behave well to your friends?  
Do you know what is right and what is wrong?

## AROUND US

When you don't give  
your friends some  
sweets, you protect them  
against tooth decay.

You don't need to lend your  
favourite toy to your friends, they  
surely have their own ones.

It is great fun to **set**  
your foot to a friend  
on purpose.

The best way how to show  
a girl that you like her is to  
**pull her hair**.

We **never make fun** of  
our friends and **never**  
gossip about them.
