

Wonderful world of  
**CARS**

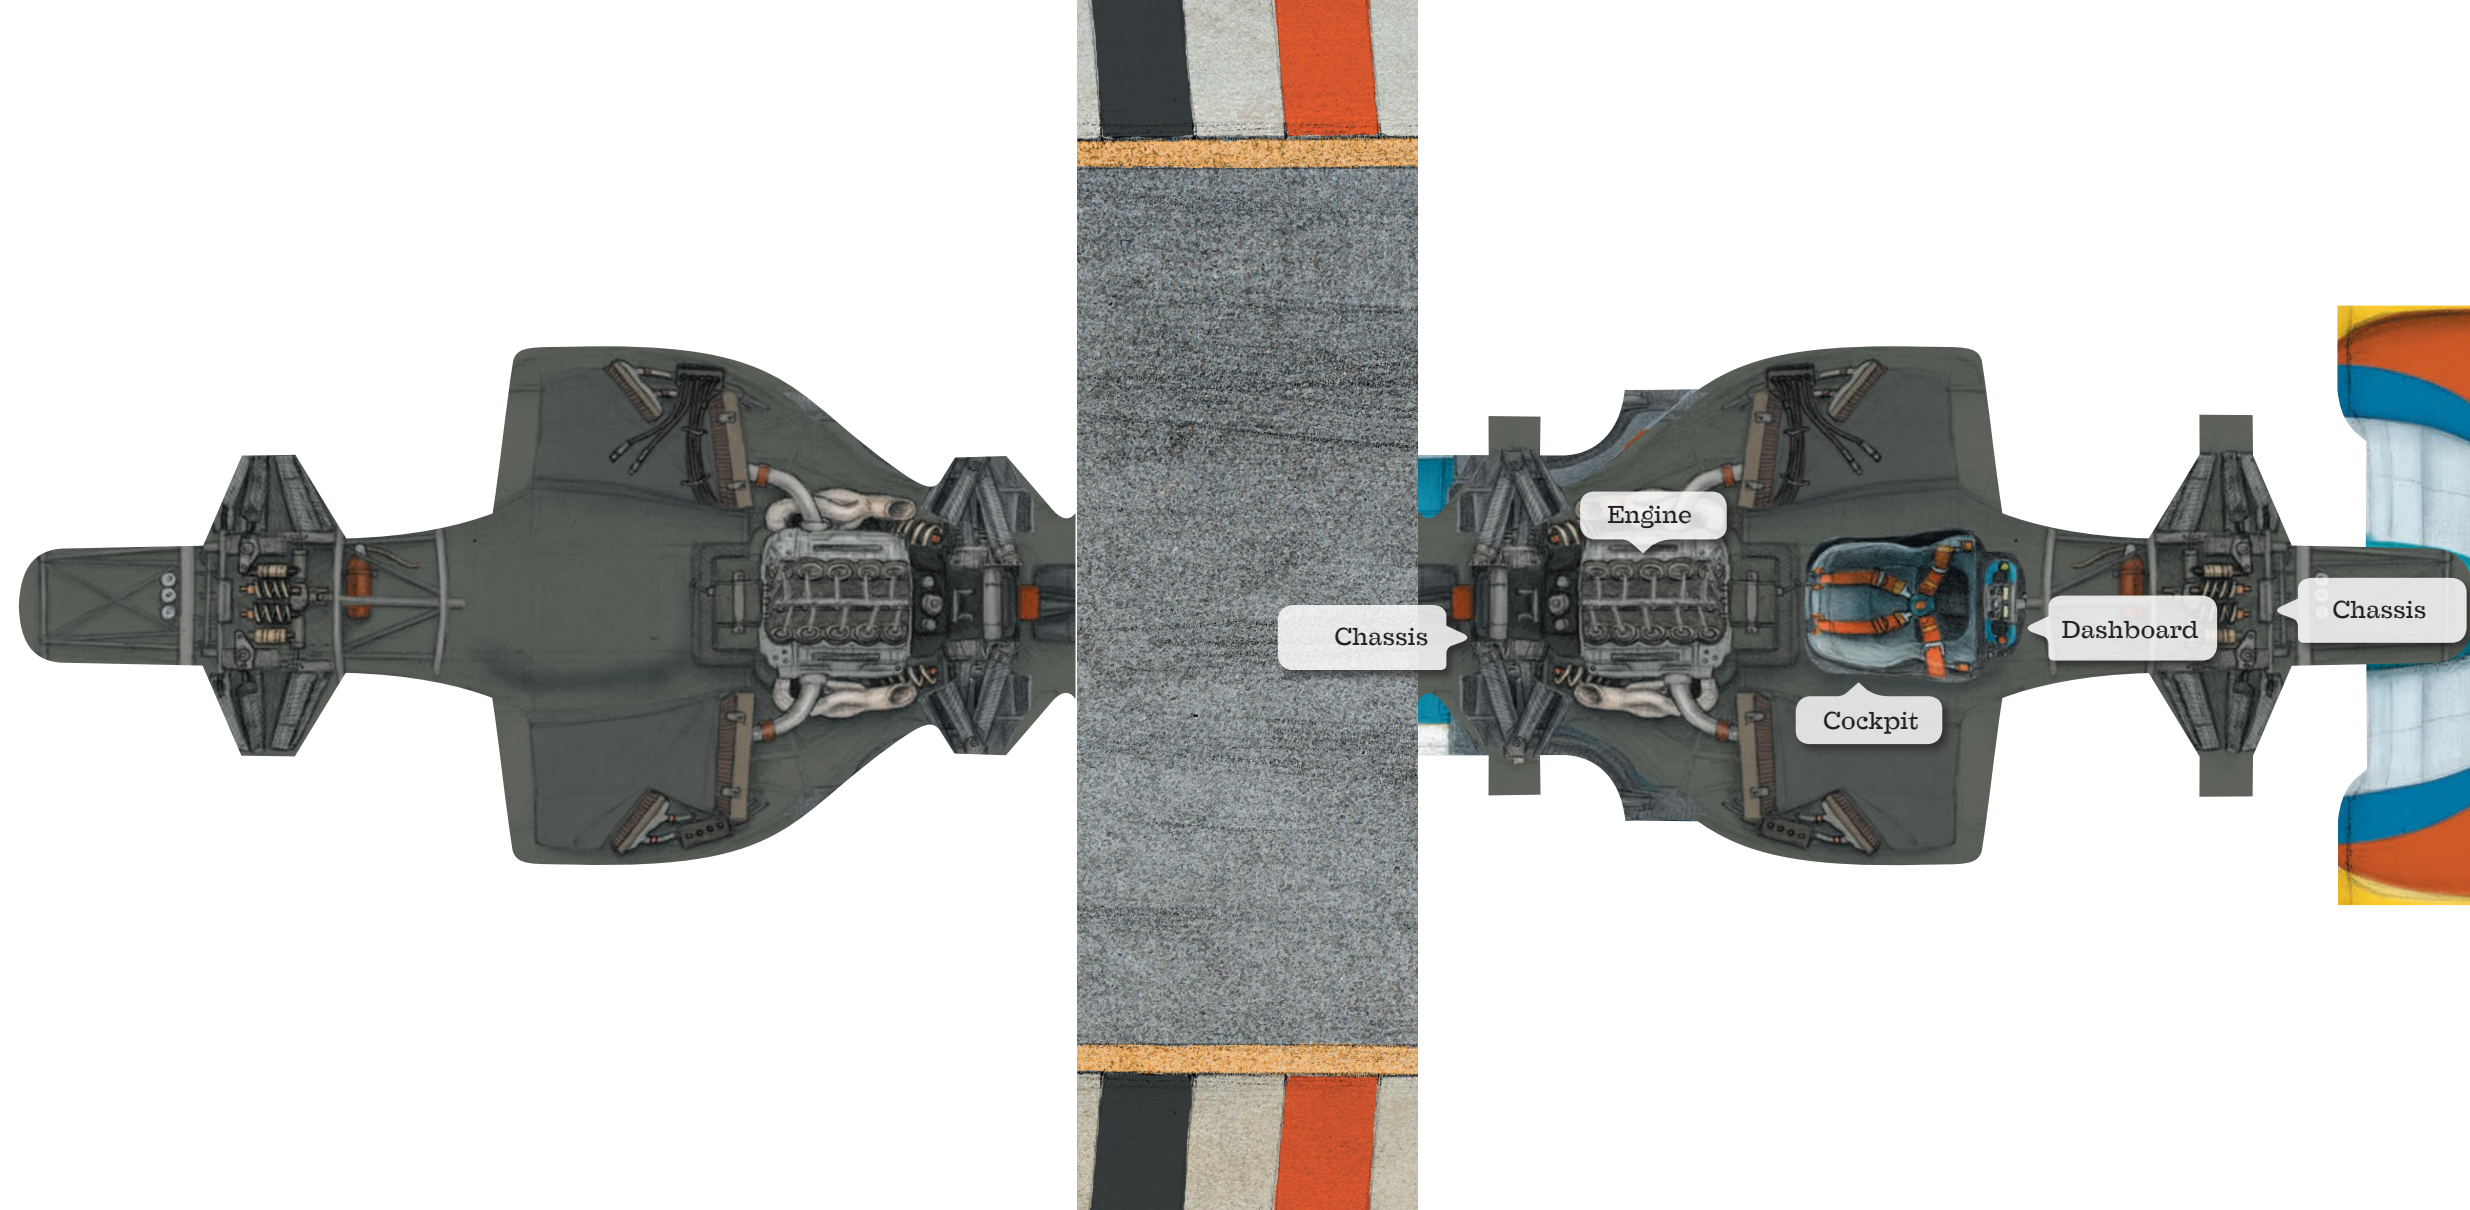

Wonderful world of  
**CARS**

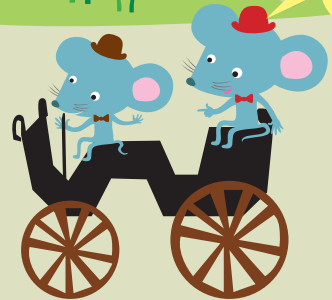

# The first motor cars

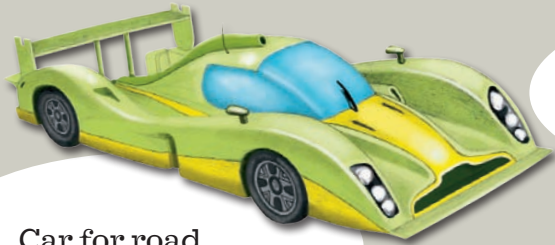

The first motor cars looked like coaches with an engine.

These fine-looking cars are still on the road today, even though some are over 100 years old.

Faster,  
faster!

# Racing cars

Car for road racing

All-terrain  
buggy

Rally car

Cars are also  
raced. Racing cars  
are great!

i am  
fittiPaldi

# Formula 1

05 P2 P3

The fastest cars  
are Formula 1.

What  
a GUY!

# Wonderful World of CARS

Book in the shape of convertible model will introduce the world of motoring to the young readers and will show them how the cars looked like from its first attempts to today's modern machines. It will show children what can be found inside the automobile, what is the purpose of individual components, what are cars used for today or how the car mechanic workroom look like. In book there will be also possible to see the modern transportation machines or race cards. Everything is explained in an easy and funny way suitable for reader's age group.
