

What's That Light?

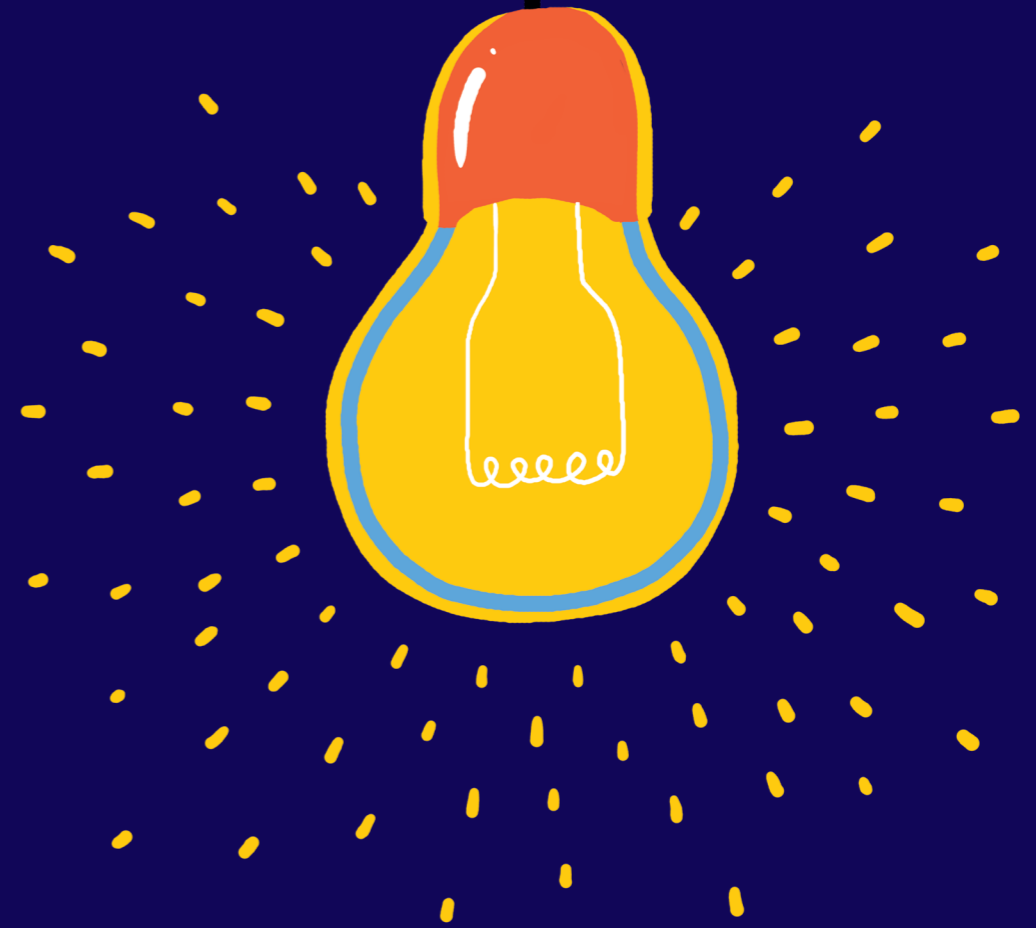

What's That Light?

B4U PUBLISHING

What's that light?
Is it a comet? No, it's a bulb.
This light in a glass case hardly
ever wavers.

light bulb

What's that light?
Is it a night sky with stars?
No, it's a Christmas tree with fairy lights.
They are so bright that they light up the
presents at the bottom.

Christmas tree

What's That Light?
