

ANIMAL BABIES

around the Forest

After dark, mother
badger comes
out of her den.

Little **cub** is right behind her.
It's time to catch some
delicious earthworms.

Mama bear
looks out for her **little ones.**

No wonder **cubs** are so curious –
they have spent winter **in the den.**

ANIMAL BABIES

around the Forest

Learn
the names of
animal babies

Illustrated by Irene Gough
Written by Pavla Hanáčková

Do you think that animal babies are cute? Yes? And do you know what they are called? If not, this book is just perfect for you. Walk around the forest and meadow with us and meet animal families that live here. Not only will you learn what are they called, you'll have loads of fun with them, too! This delightful book is full of charming pop-up pictures.
