

The Little Mermaid lives deep in the sea.  
Day after day, she larks about with the little  
bright-coloured fish around the coral reefs.  
Can you find the very smallest?

Anchovy

Tang

Sea anemones

Moorish idol

Seal

Clownfish

Coral

Cardinalfish

Seadragon

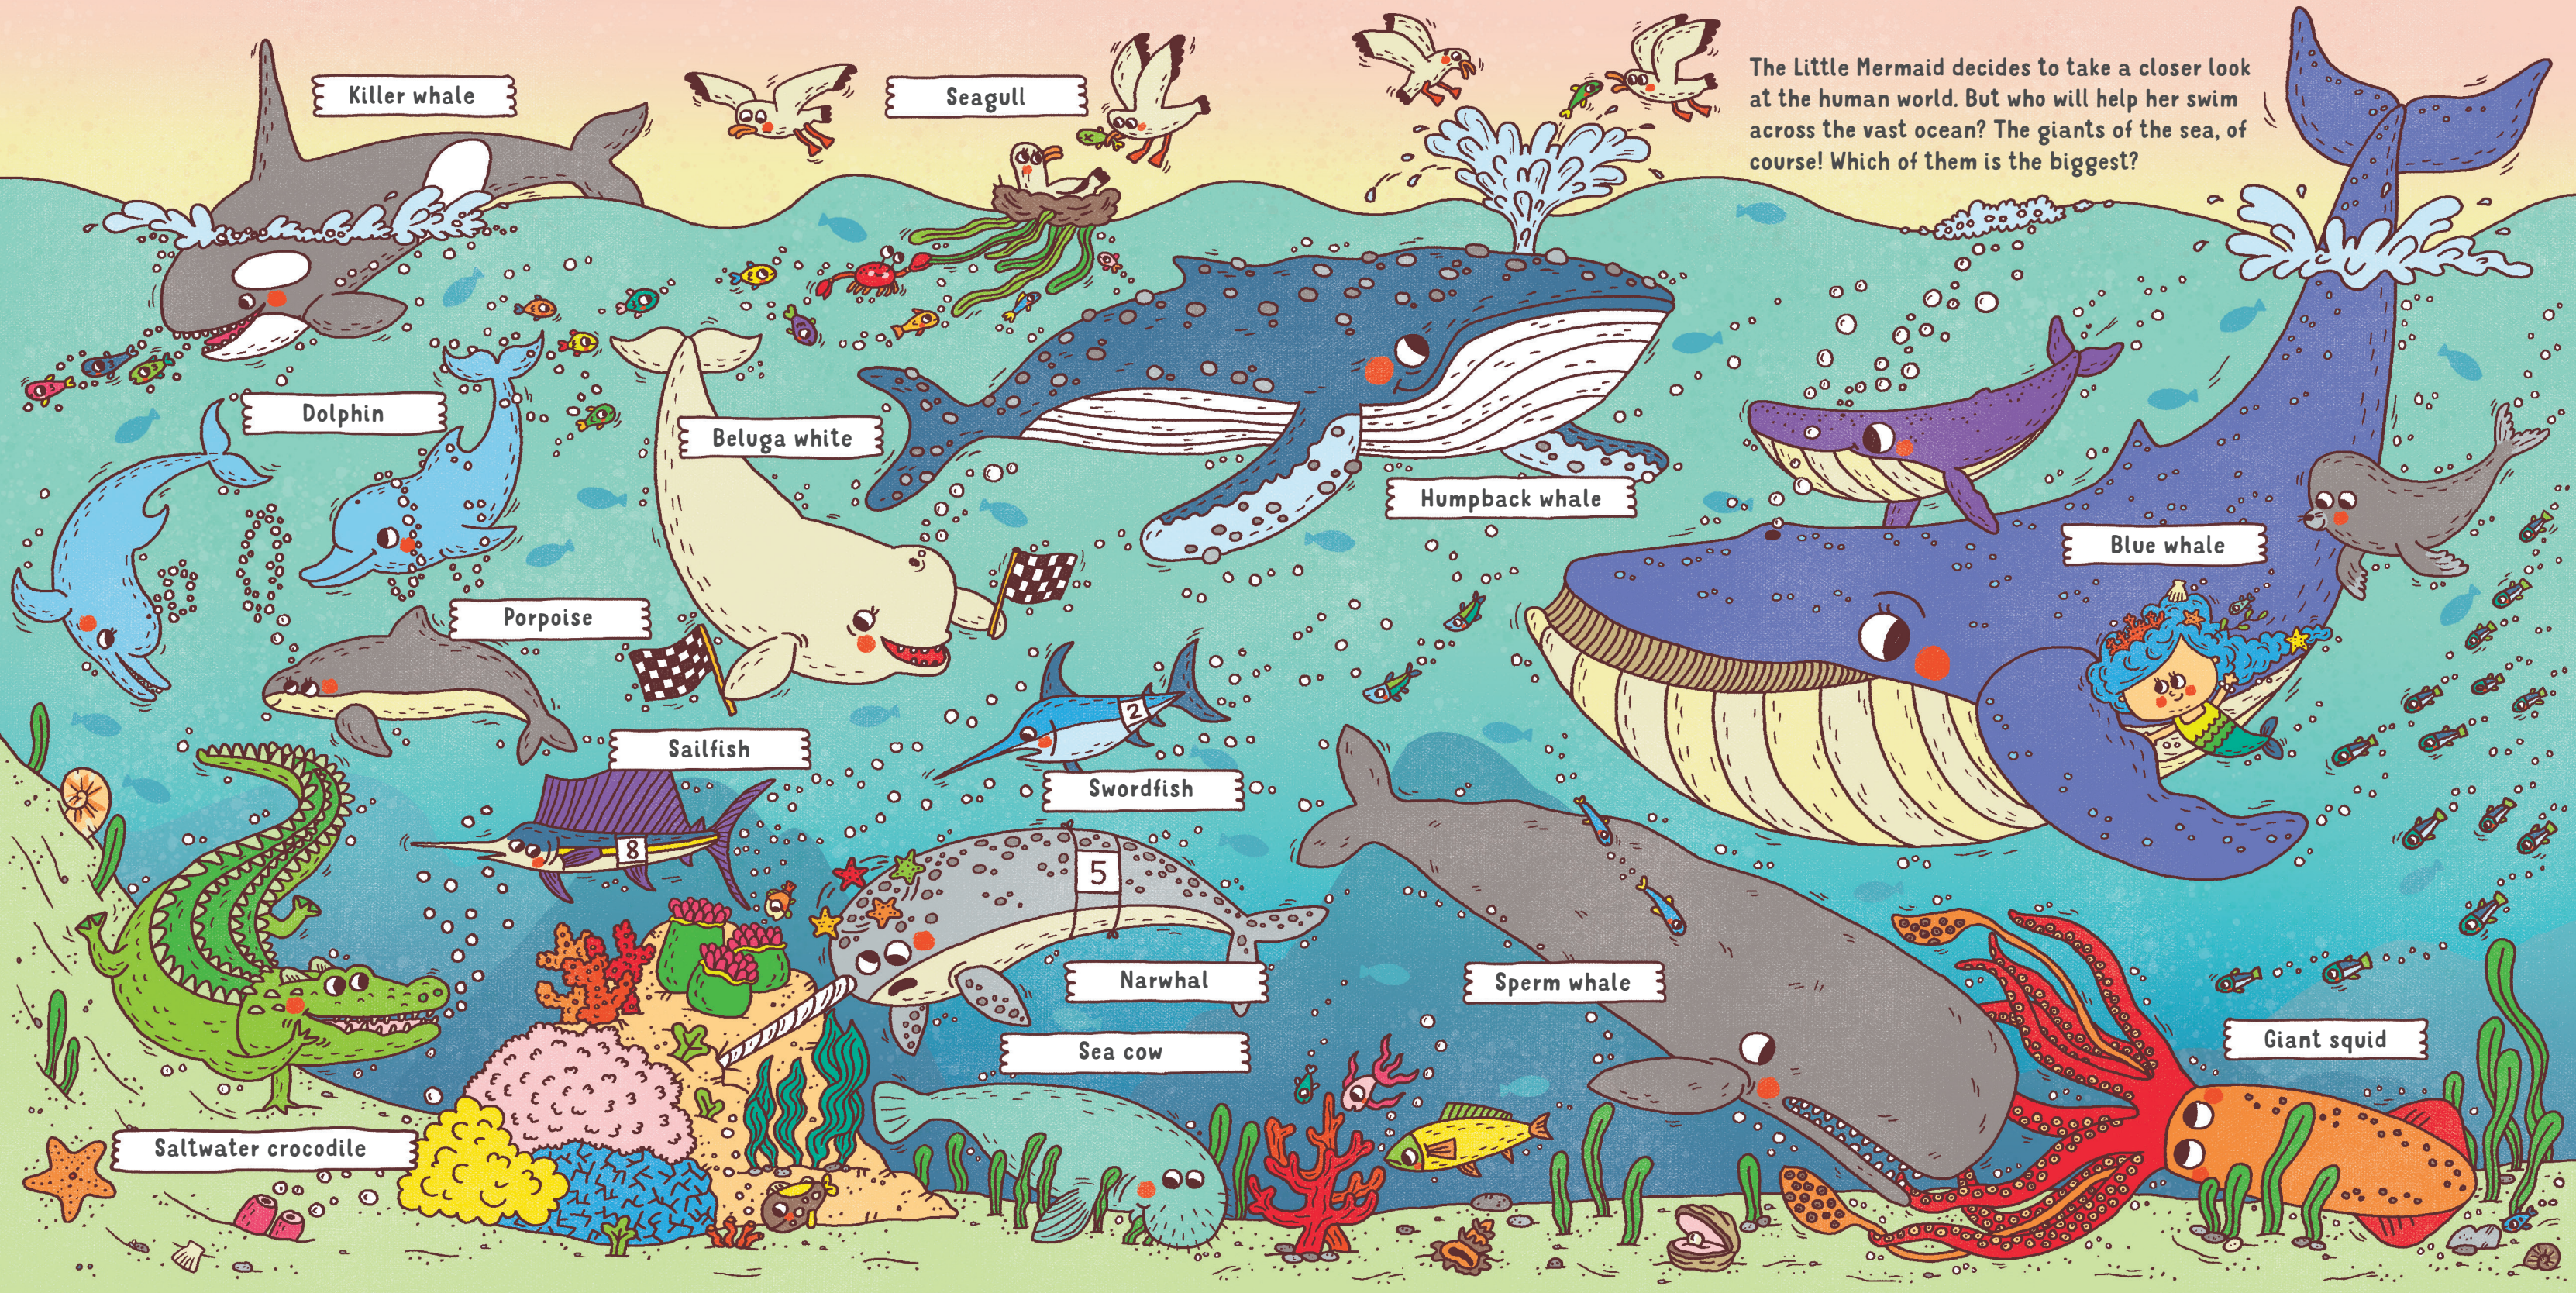

Angelfish

Mandarinfish

Lionfish

Parrotfish

Killer whale

Seagull

Dolphin

Beluga white

Porpoise

Sailfish

Swordfish

Humpback whale

Blue whale

Narwhal

Sea cow

Sperm whale

Giant squid

Saltwater crocodile

The Little Mermaid decides to take a closer look at the human world. But who will help her swim across the vast ocean? The giants of the sea, of course! Which of them is the biggest?

# IN THE OCEAN with the Little Mermaid

Written by Petra Bartíková  
Illustrated by Alexandra Májová

Once upon a time in the deep blue sea there lived a little mermaid who loved to play hide-and-seek with the fishes. But the fishes weren't the only living things in the underwater kingdom – there were octopuses, crabs, turtles, oysters and many other things besides. Get to know them all with the Little Mermaid.
