How do you build a go-cart? Teddy has some wood, a rule, a saw, a drill, some wheels, screws, a steering wheel, a screwdriver – and a lot of work ahead of him. Will anyone help him? Of course they will! Teddy isn't the only one who dreams of winning the race for the honey-filled cup. Mr Hedgehog does too! So keep your fingers crossed that they manage to build their go-cart. And don't forget the magic bar.

Pull on it and the pictures will change right before your eyes.
