THEO

THE FLEA

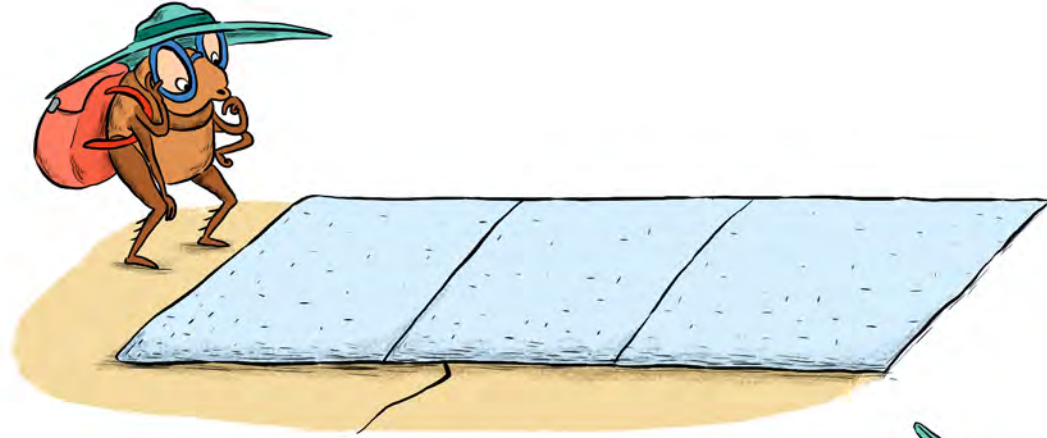

Albatros

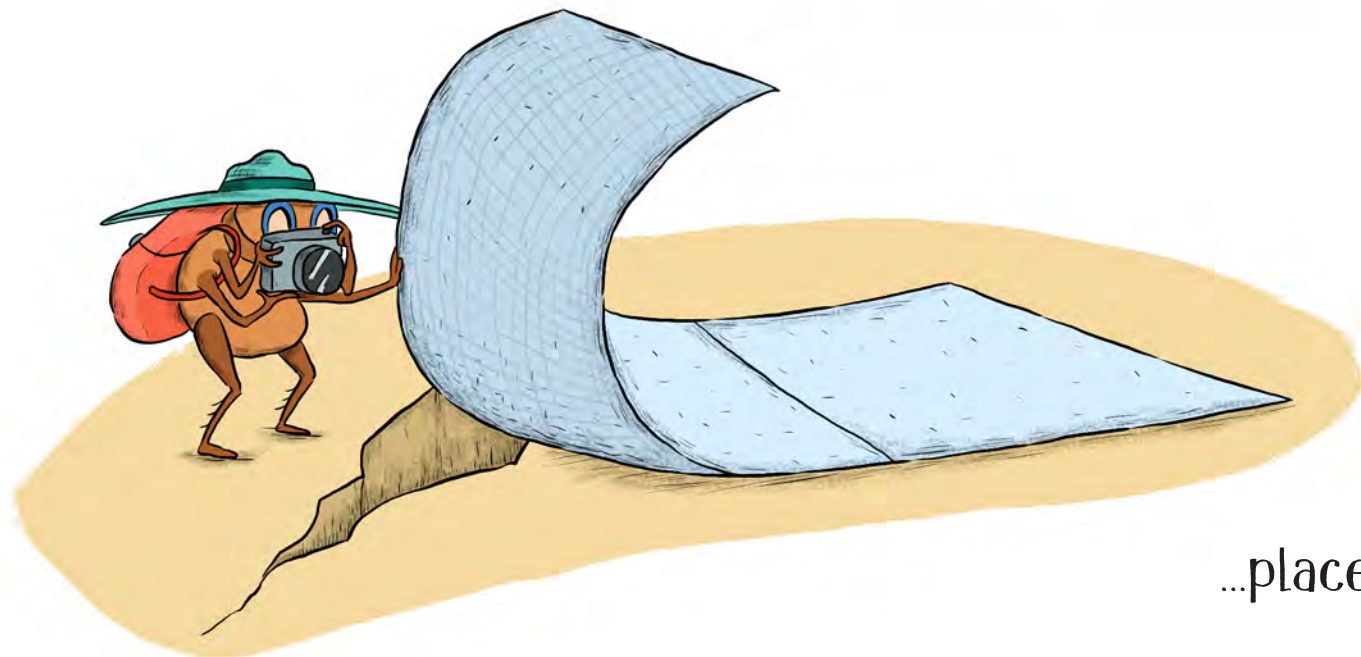

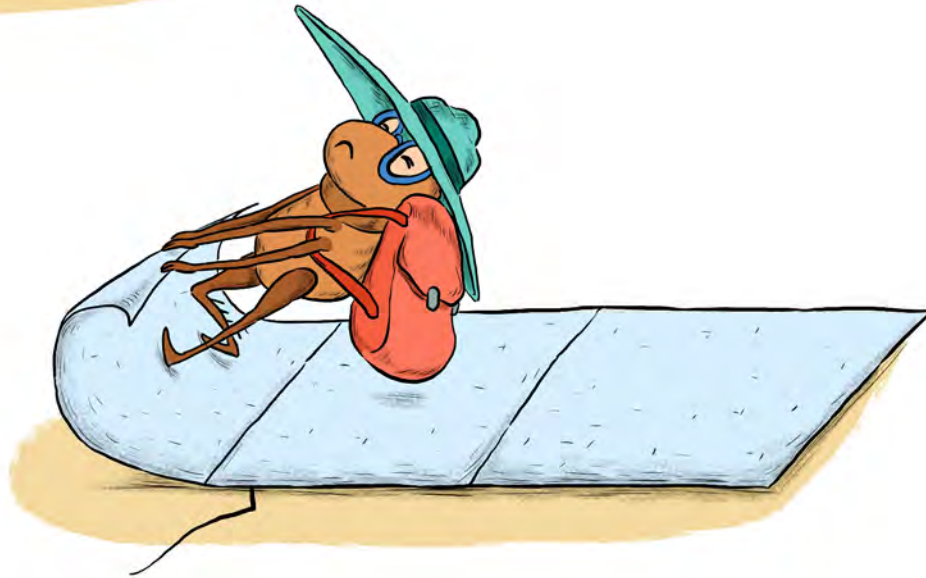

...and hopped away to begin his first expedition.

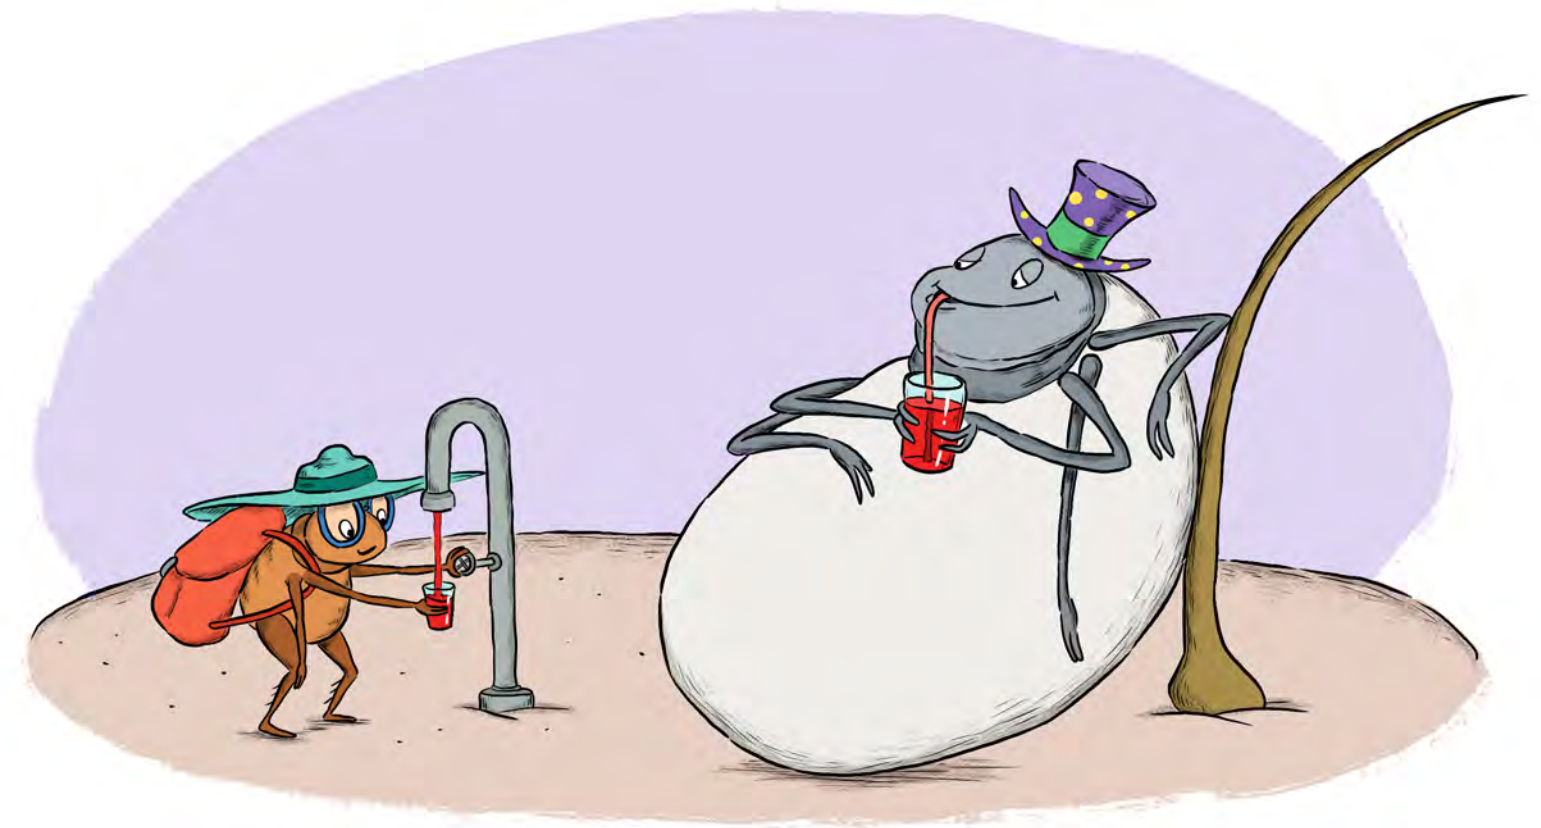

Theo discovered new...

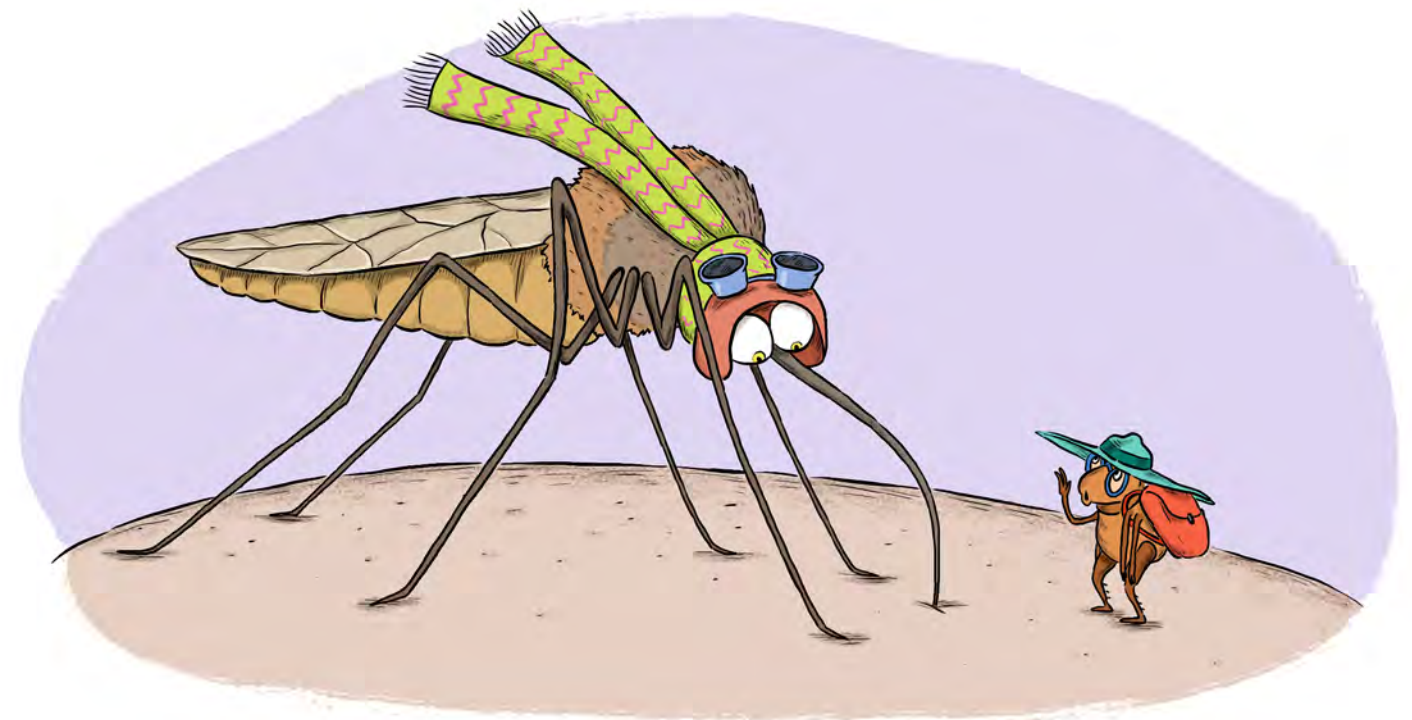

...hidden...

...places.

He tried unusual tastes...

... and encountered some very hungry creatures.

But he couldn't find Leo.

"If only I knew which way to go!"
Theo sighed.

As he travelled, he noticed that the hairs around him
were getting longer and longer...

This is a flea. His name is Theo.

Theo is the happiest flea in the fur. Yet he would like to jump higher still.

He dreams of becoming a great explorer, like his grandfather.

Once, Grandpa told him of a place no one had explored before.

It was called Leo. So Theo set out on the first expedition
of his life...
