**I'm great at swimming.
I have webbed feet,
which work like flippers.**

**I can do that too!
And I can even swim
on my back!**

**And what can
you do, frog?**

I Can Move Like Animals Do

Lenka Chytilová, Pau Morgan

How do animals move? The kangaroo is a champion jumper, the cheetah a gold medal runner and monkeys are vigorous climbers... Watch how and why animals move like they do. Then unfold the page and see what surprise lies underneath. Can you also move like these agile animals? Don't forget to try it all out after reading!
