They say practice makes perfect, and it's true... witches are no exception. One such witch, a very young one at that, once tried conjuring a birthday cake with 120 candles. But the poor girl messed something up while working her magic, and ended up baffling, muddling, and recolouring the entire fairy-tale world! Take a look for yourself...

*Since when's  
Little Red blue?*

You be the judge, kids. Can there be a Little Blue Riding Hood? And what about a yellow wolf? No one would allow them to be in their story like this. Well, dear inexperienced witch, you have no choice but to correct your mistake. And in order for Little Riding Hood to be red again, some strong magic will be needed. Let's do this!

*What's happened to us?*

*You stole my  
colour, wolf...*

And we're done.

In the end,  
the small witch  
can celebrate  
her birthday!

Every novice witch sometimes utter a wrong spell. Be honest,  
kids—have you ever heard of a Little Blue Riding Hood,  
three green pigs or a grey-haired Goldilocks?  
Help the witch and make the fairy-tale  
characters their original  
colour again!
