ON THE FARM

CLUCK! CLUCK! CLUCK! IN THE HENHOUSE,
THE HENS ARE LAYING THEIR EGGS.

ON A FARM, THE HARD WORK BEGINS FIRST
THING. SO THE FARMER STARTS HIS TRACTOR.
HE MUST FEED AND MUCK OUT THE ANIMALS.

IN THE AFTERNOON, THE FARM IS STILL BUSY.
A PIGLET SQUEALS MERRILY FROM THE STY.

A DUCK AND HER DUCKLINGS RETURN HOME
AFTER A DAY SPENT BY THE POND.

WHO WILL YOU MEET IN THIS BOOK?

AND WHO WILL YOU MEET IN THE WOOD?

What happens on the farm after the cock's crow wakes up all the animals? Well, the cows moo impatiently, the sheep baa, the pigs squeal... This farm is really busy! Find this out for yourself by pressing the magic buttons and hearing the voices of the animals.

ABOUT THE BATTERIES

Please note: Before giving this product to a child, remove the sealing strip. Children should use this product only if the battery cover is securely in place. Only an adult should change the battery. The power supply must not be short-circuited.

Handling: This product contains 3 pcs 1.5 V AG10/LRS4 button cells. Open the battery cover using a screwdriver. New batteries should be inserted by respecting the polarity markings. Put the cover back in place and secure it using a screwdriver. Do not overtighten. Never combine different battery types or new and used batteries. Use only the batteries recommended above (or similar). To avoid damage to the product, remove dead batteries immediately and dispose of them promptly.

Disposal: As this product contains batteries, do not dispose of it with mixed waste. Directives on disposal of electrical and electronic appliances require such appliances to be disposed of separately to ensure their further management by the best available means of recycling and recovery. This approach minimizes negative impacts on the environment and human health resulting from pollution of soil and water by hazardous substances, plus it reduces resources needed for the manufacture of new products and pressure on landfill space. Please help us by not disposing of this product with mixed waste. The crossed-out wheeler bin symbols mean that this product should be disposed of as electrical or electronic waste, and that its batteries should be disposed of separately. When purchasing this product or batteries, an old, used product and/or dead batteries may be returned to the seller. For further ways of battery disposal, please contact your local authority.

WARNING: Not suitable for children under 3 years. Contains small parts. Danger of suffocation. Dispose of used batteries immediately. Keep new and used batteries out of reach of children. If you believe that batteries have been swallowed or inserted into any part of the body, seek medical help immediately.

PLEASE NOTE: Before giving this product to a child, remove the sealing strip, then activate the sound module. Non-rechargeable batteries will not be recharged.
