Our Tom's Day

Pleased to meet you

This is a young tomcat.
Neither a full-grown tom
nor a teeny bitty kitten.
A young tom.
Call him what you like.

That's right
– think of a name for him.
Go on!

And what is your name?

Good morning!

Only pusses and toms
can do this. And people
who copy them.

Arch your back.
Push your spine up,
then pull it down.

Forget to miaow,
though, and it won't work.
Good morning!

Can you arch your back, too?

First, to the toilet!

Pusses and toms are
clean animals.
For them, a home toilet
is just the thing.

Not a flush one, of course!
A cat's toilet is a tray
with special sand in it.
We change the sand often.

Do you know how to clean a cat's toilet?

Assembly of cats

We think that our
tom lives alone.

But when the Moon is out,
lots of cats come around.
Each cat is different.
Every cat is beautiful.
Our tom is never alone.
