...the **cooling** cools and then it's not.

Dad steps on the **clutch**, grabs the **gear lever**, puts the car in **gear**...

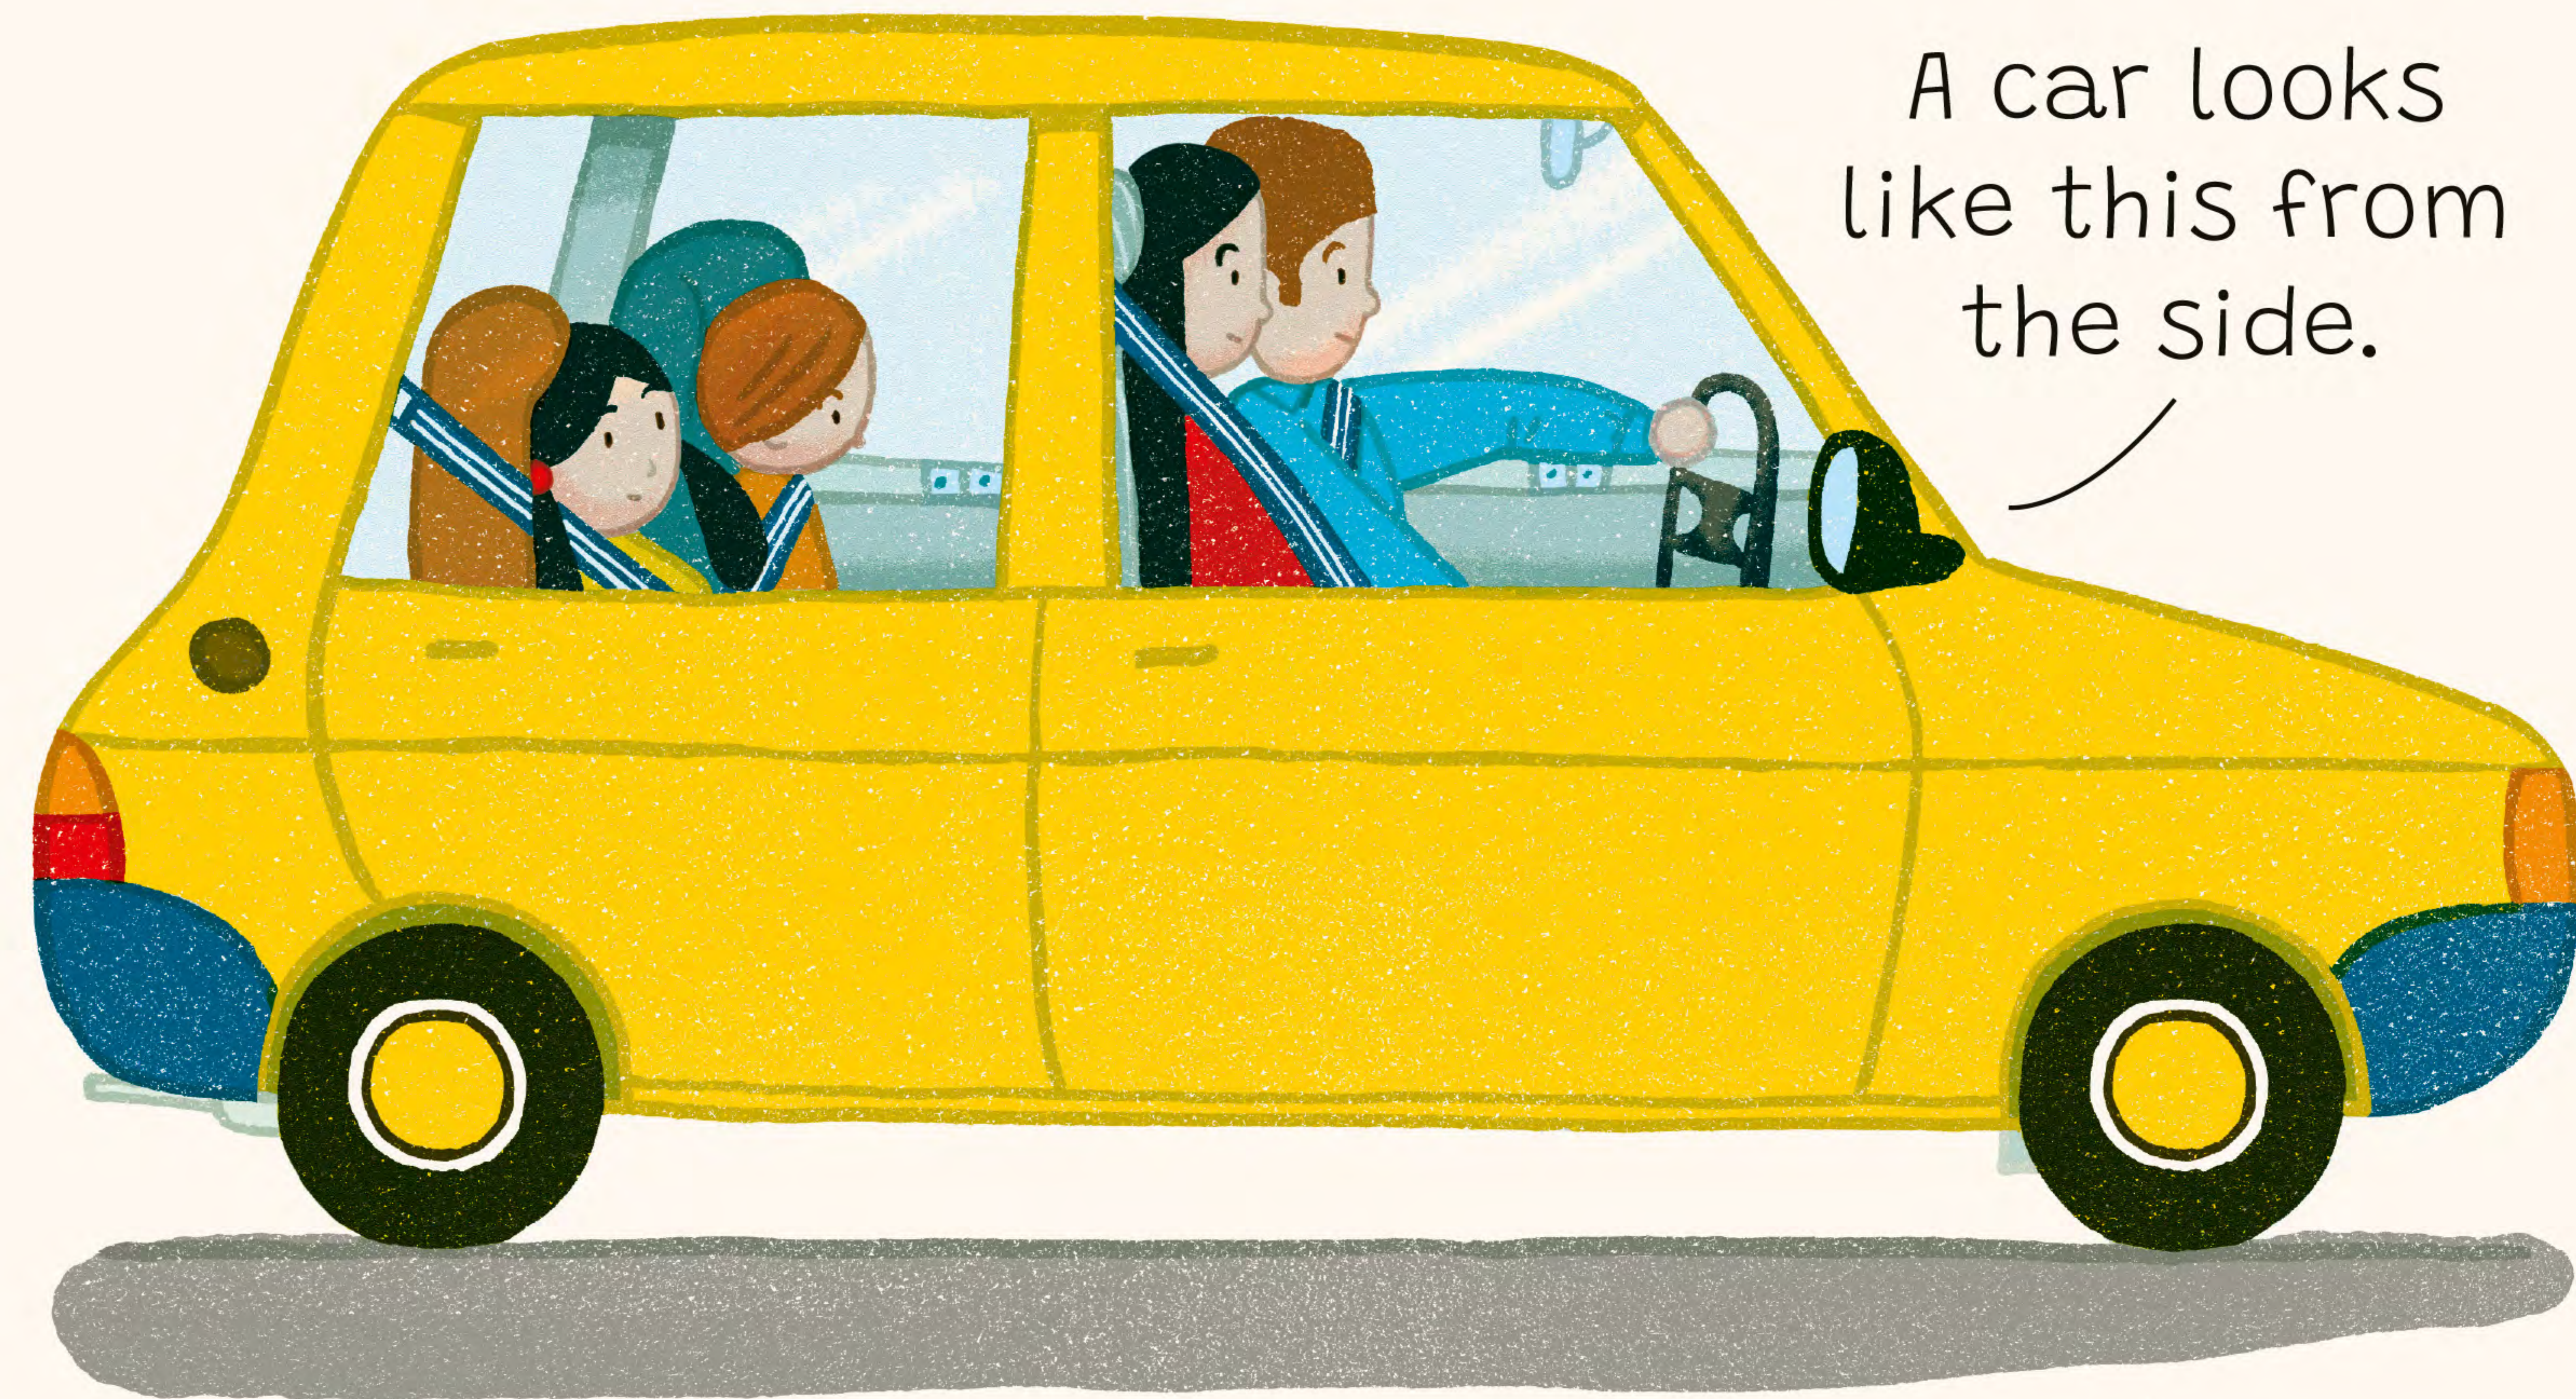

A car looks like this from below and above.

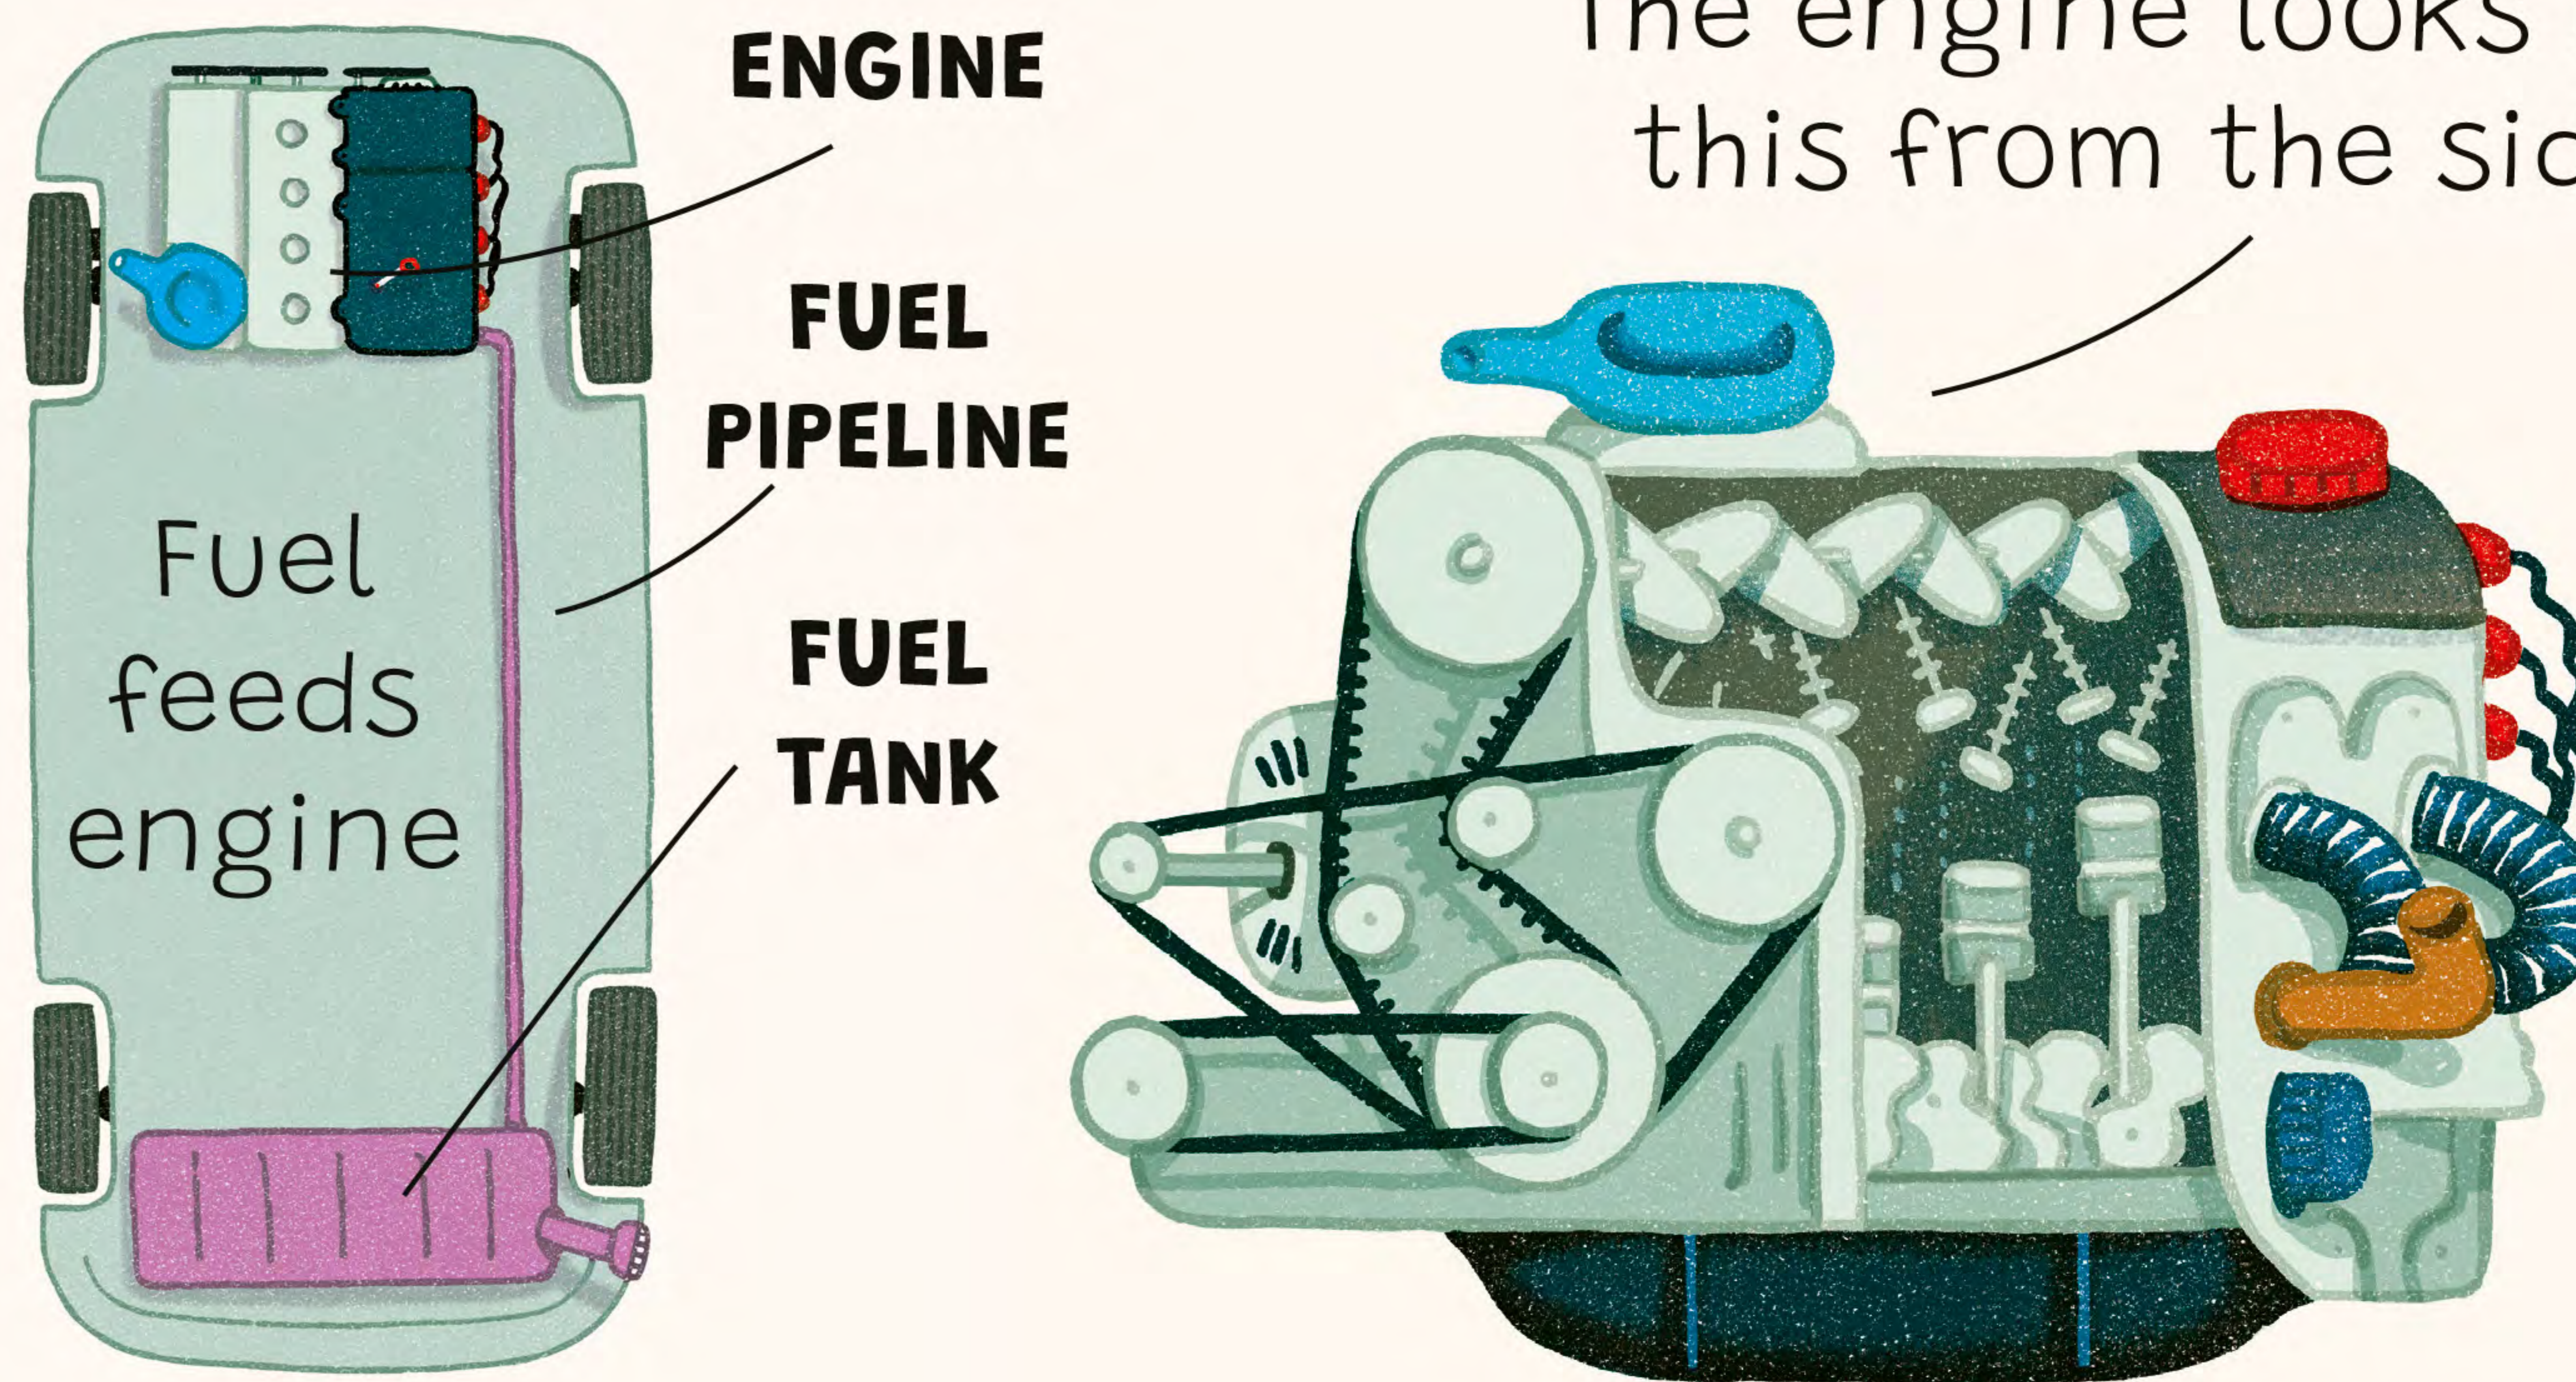

Dad pulls on the handbrake and the car stands still.

A car looks like this from the side.

The engine looks like this from the side.

In the Car

Ours may be an older car, but it's a great place to learn about all the things in a car and how it is driven. Come and see!
