A WALK IN THE PARK

Every dog needs to go for a little run, to pee and sniff what's new with their other dog friends in the neighborhood. Who will Chico meet in the park today?

The muzzle will come in handy on the bus.

Stick the things you'll need when walking Chico.

DOG TRAINING

Like any puppy, Chico needs to learn what he can and can't do. The ideal place for such training is a special dog playground. Teach the dogs here all the important commands.

HOW TO READ DOG BODY LANGUAGE

These dogs don't really feel like exercising today. What do they want to tell their owners? Take a good look at them. Their posture speaks volumes!
