mission communication

**Fitness**  
body training

**Classroom**  
space lessons

**Control Room**  
command center

**Space Navigation**  
guiding the rocket

**Zero-G Training**  
weightless practice

**Pool Practice**  
underwater sessions

**Repair Work**  
maintenance

**Astronaut**  
Ready for launch!

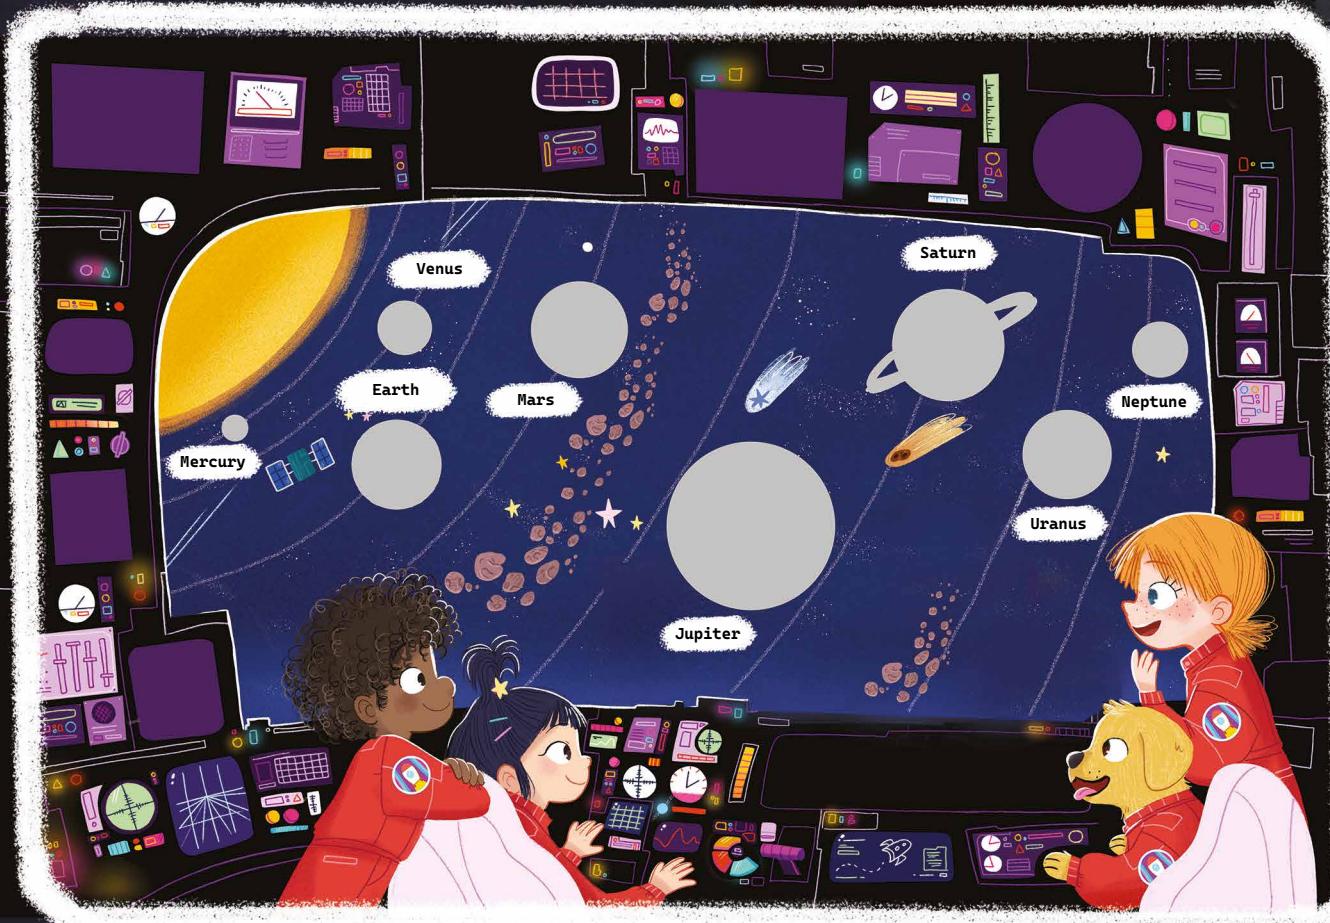

## INTO SPACE

Finish the rocket! Stick the missing parts to help it glow and make it fly!

## EXPLORING THE SOLAR SYSTEM

Some planets are missing from the Solar System. Add the glow-in-the-dark stickers to make it complete.

## HIDE AND SEEK ON MARS

Our crew encountered some interesting creatures on Mars. Can you find these among them?

## RACE BETWEEN THE PLANETS

Quickly find the way through this maze and reach the sweet reward! Do you think you can be faster than the Martians?

## SPACE SUDOKU

Some computer code is mixed up! The best way to fix it is by solving this space Sudoku. Help the astronauts by adding the missing symbol stickers.
